**SAMPLE FACEBOOK FUNDRAISER DESCRIPTION:** St. Joseph Center is a 501(c)3 non-profit that I support because they do great work for our community!

One of their amazing programs is the Bread & Roses Café which serves 26,000 warm meals each year to people experiencing homelessness in Venice. Everyone who walks through the door at Bread & Roses is met with dignity and respect, a warm meal, and a smile. Bread & Roses runs entirely on private donations – so any amount helps! Join me and #haveaseatsjc this year by donating what you can to this amazing cause. You can learn more at: [www.stjosephctr.org](http://www.stjosephctr.org) or @stjosephctr.

## FIRST POST:

I just started a fundraiser for @stjosephctr's Bread & Roses Café! From now until #givingtuesday, I will be raising money to support Bread & Roses' efforts to provide 26,000 warm meals each year to people experiencing homelessness. Learn more on my fundraiser page or at [www.stjosephctr.org](http://www.stjosephctr.org). #haveaseatsjc

## SECOND POST:

#ICYMI, I started a fundraiser for @stjosephctr's Bread & Roses Café for #givingtuesday! It started 30 years ago and serves 26,000 warm meals each year to individuals experiencing homelessness. Join me in this #haveaseatsjc

## THIRD POST:

There is still time to support @stjosephctr's Bread & Roses Café! Instead of donating to a soup kitchen, you can donate to a place that serves meals in a restaurant-style, dignified setting for those who need it most. #givingtuesday #haveaseatsjc

## FOURTH POST:
